

STUDY ABROAD INFO SESSION: Considering Identity Abroad

Come join us for an informal Bi-Co chat with Abbey Fox of SIT, Haverford Director of Study Abroad Rebecca Avery, and BMC Director of Global Education Tracy Weber. Consider aspects of your identity as you explore study abroad options. Gain insight into how researching cultural norms and local practices can help you navigate how you may be perceived in and interact with your host country. Learn about studying abroad through SIT, with plenty of time for Q & A. All students are welcome!

Wednesday, February 8th
